PRESS RELEASE

A Revolution shaping the future of Building and Construction

UK & France based Company – The Estates Company UK– are pleased to announce the launch of their brand new product: **ZIP PANELLING**

"Panelling is the future of Construction...", said David Evans who heads up the Company and has been at the epicenter of insulated technology for over a decade. *"Zip Panelling will without a doubt be at the very forefront of this transformation"*.

For a certainty this cutting edge building product is set to turn the building and construction market on its head, and here is why:

Not only is Zip Panelling :

- Fireproof
- Waterproof
- Sound Resistant
- Very Eco Friendly
- Fully Insulated
- Insect, Rodent & Mold Resistant
- Holds full CE, BSI and ISO certification

There is also no more need for Plasterboard, concrete, cement mixers or even Rowl Plugs! But wait, there is more.. **Using Zip Panelling can save you up to 30% on building costs!**

Zip Panelling is set to bring the Building and Construction Industry into the 21st century and Beyond!
